About the College

St. Anne's Arts and Science College a catholic minority institution of higher education for women, Was started in the Academic year 2014-2015 and it is affiliated to the University of Madras.

It is under the management of the Society of sisters of St. Anne- Madras, a Catholic Religious congregation founded by Servant of God, **Thatipathi Gnanamma in Kilacheri**, Tamil Nadu in 1874. During the time of our Mother Foundress, education of young girls was an unimaginable dream. She was constantly in touch with the illiterate girls in the locality and identified education as a principal means of empowering them. Fr. Arokianadhar, Parish Priest of Kilacheri, helped her to reflect effectively and to go ahead with her mission. She went to her native place, sold off all her properties and invested the money in starting a primary school exclusively for girls in Kilacheri on 3rd May 1863. Thus she became the pioneer in the field of education of women in 18th century. Guided by her charism, the Sisters of St. Anne identify the opportunities and explore possible solutions to empower women through their education apostolate.

St. Anne's Arts and Science College provides the opportunity for holistic higher education to the young women to face the challenges of the Society confidently. Besides imparting education that will facilitate the development of the entire personality of our students, we also strive to inculcate in them honesty and a sense of responsibility.
